SHAFTER HIGH SCHOOL

FOREWORD

What will another year bring forth for Shafter High? What new heights will the students attain for the glory of their school? Whatever the achievements in the past, future records are in the making. With the coming classes lies the responsibility of upholding the traditions of Shafter High, of winning new laurels in scholarship, athletics and sportsmanship; endeavoring to create a greater school, greater in cooperation between groups and in cementing student friendships.

May we, the class of 1935, leave our hopes, customs, and best wishes for our Alma Mater in your keeping and as your heritage?

To Mr. Wilson: Teacher, Sportsman, Friend:

For your interest and fine coaching spirit and ability in the fields of sports; for your desire to promote the higher ideals of life illustrated by your Hi-Y adviserships; for your faithfulness in sponsoring the 1935 class through its victories, hardships, joys, and even sorrows encountered during its four year voyage

We dedicate "*The Laurion of 1935*"

Senior Creed

I believe in the United States of America as a government of the people, by the people and for the people, whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign nation of many sovereign states; a perfect union, one and inseparable; founded upon those principles of freedom, justice, equality and humanity for which our forefathers sacrificed their lives and fortunes.

I, therefore, believe it is my duty to my country to love it, to support its constitution, to obey its laws, to respect its flag and to defend it from invasion.

LAURION

"Sail on, nor fear to breast the sea!
Our hearts, our hopes, are all with thee,
Our hearts, our hopes, our prayers, our tears,
Our faith triumphant o'er our fears,
Are all with thee"—

We'll hope for no more repetitions of long walks at W.F.C. Conventions and that next year will be the best ever

E J Peery.

You, the class of 1935, are about to leave the harbor of Shafter High School to seek the ports of employment or higher education. We have endeavored to give you elementary training in setting your sails of progress, in efficient seamanship, in the charts of the shoals of life, and in holding your course by the compass.

There will be moments of indecision when the knowledge you have gained in books and the advice you have learned from your teachers will not be sufficient to carry you on. In these moments you must use good judgment, be bravely self reliant, and hold on to your ideals.

Students, as you go on to life's higher seas to complete your voyage of life remember that regardless of the winds and storms of adversity

"YOU ARE THE MASTER OF YOUR FATE,
YOU ARE THE CAPTAIN OF YOUR SOUL."

E. J. PEERY.

OUR SENIOR TRAVEL-LOGUE

Class Flower . . . . Golden Gate Rose

Class Colors . . . . . Blue and Gold

Class Motto . "Paddle Your Own Canoe"

On a fine autumn morning in the year 1931, a group of youngsters timidly entered the portals of Shafter High School with hopes and lofty ambitions for a voyage to knowledge. The upper classmen chose this opportunity to initiate us into high school ways of demeanor and set us on our destination. With the motto, "Onward to Victory," in mind, we came through the storms of ignorance and developed a name for ourselves as a group with pep and school spirit.

Still searching for wisdom in the realm of knowledge, we entered upon our second year of travel. This year was exceptional because of our winning the Cantata Sales Contest. Our third year found us taking on more responsibilities, and showing more initiative and versatility in school activities. We ended the year with a very successful banquet for the Seniors. Now our fourth year has transported us to the land of achievements, and in the distance flashes the lights from the lighthouse, Commencement.

With a final gesture we go on to

"Hitch our ship to a star
And seek attainments height,
To train our gifts, what e'er they are
We shall strive for, day and night."

JUNIOR CLASS

Our royal band was the most innocent and intelligent looking group of greenhorns that ever unfurled a freshman flag. The upper classmen were completely baffled by our extremely polished manners and dignity of bearing! We possessed a glorious school spirit which carried us over the bumpy places of the year admirably.

Bearing the name of Sophomore proudly, we sped through the second year with flying colors. Our senses of patriotism and sportsmanship placed our sons in every activity.

Ship ahoy! We embarked upon another journey of knowledge with the ensign, Junior, emblazoned upon our prow. This year has provided fun, instruction, and furnished good fellowship. We face our senior year as a mighty ship set on a last voyage with port in sight, and definite instructions—"Onward, sail."

SOPHOMORE CLASS

The Sophomore Class began planning its initiation campaign before school started and it was "woe unto the Freshmen." Initiation Day was concluded with a party for the Freshmen and a pledge of friendship was enacted. Several parties were given throughout the year. Mike Janzen sprang to fame not only as a hurdler but as an actor of much talent. Gregory Malofy, Tommy Dorris, Lewis Edwards, and Donald Suydam complete the "awful quintuplets." The class officers are: Tommy Dorris, President; Lewis Edwards, Vice-President; Rosie Unruh, Secretary; Rosella Hiendricks, Treasurer; Lillie Grose, Social Chairman.

FRESHMAN CLASS

Well, well, at last school started and the Freshmen began learning what high school was like. Oh, yes, they were initiated all right, and proved to be a "jolly group of good sports." Being shy, they didn't do much yelling at the first rally, but with the advent of Victor Voth as official yell leader, the "babes" were found to possess lusty lungs!

Class officers are: Rubena Peters, President; Arthur Wittenberg, Vice-President; Monna Latta, Secretary; Lou Nell Bayless, Treasurer.

BLIND

The Spring blew trumpets of color;
Her Green song in my brain . . .
I heard a blind man groping
"Tap-tap" with his cane;

I pitied him in his blindness;
But can I boast, "I see"?
Perhaps there walks a spirit
Close by, who pities me,—

A spirit who hears me tapping
The five-sensed cane of mind
Amid such unguessed glories—
That I—am worse than blind!

THE EXECUTIVE STAFF

The executive staff, under the supervision of Mr. Peery, has enjoyed a most pleasant and profitable year. Meetings were usually held on Monday and the problems and activities proposed were discussed and duly regulated. Many plans were made and carried out to aid the financial standing of the treasury. In May the Student Body Play, "Hot Copy," was cast with great success; it helped the fund deficit. Various other classes and organizations were encouraged to give program assemblies on a fifty-fifty basis.

LAURION STAFF

The Laurion Staff of 1935 have wished to give the student body more than just a "black and white" printed record of the year. All the color and harmonies of Shafter have been blended to create a vital, gay, and happy volume to serve as a continual reminder of a year crammed with joyful student participation in activities.

The staff was headed by Miss Littlefield, who in her capacity of adviser, has brought many new ideas, varieties, and encouragements to the staff of the Laurion; Susie Penner, editor; Annabel Wedge, assistant editor; Albert Peters, manager; Allen Bartel, assistant manager; and Mr. Arnold, financial adviser. Much of the color and additions to the book were made possible by the latter's interest and ability. The Laurion Staff is pictured below.

STELLAR STUDENTS

THE CALIFORNIA SCHOLARSHIP FEDERATION

Chapter 271 of the California Honor Scholarship Society was installed during February at Shafter High School. Miss Coulthard, the Bakersfield adviser, and Stewart Chenoworth conducted the installation ceremonies.

At a district convention held at Maricopa in March, four of the Shafter members attended. It was actually the social meeting of the year; after a short business meeting, the students were asked to join in any sports they wished. Imagine our surprise to find that Arthur Wittenberg was a badminton champion, and Marjorie Magness a dancer of no mean ability! These conventions do bring out some mighty revealing things! In April, Marjorie Magness was delegated to attend the Central Regional Convention held at Hayward. Watsonville was selected as the meeting place for 1936, and Brother Leo of St. Mary's College gave a very fine talk entitled "Four and Twenty-Black-birds." The convention ended with a tour of the University of California Campus, and a luncheon presided over by Stewart Chenoworth of Bakersfield.

The local members of the C.S.F. are: Patricia Towery, Arthur Wittenberg, Marjorie Magness, Rosie Unruh, Frances Kattenhorn, Venona Stone, Lenora Kirschenmann, Miss Finck, Adviser.

PUBLIC SPEAKING

Public speaking has become one of the most active and interesting activities during the past year. Shafter has entered into debating with determination, emphasis, and no little success. The teams consisted of Lois Van Gorkom, Dorothea Peake, Edna Boese, Allen Bartel, Ernest Siemens, Albert Peters, Raymond Mettler, Everett Devine, and Henry Janzen. Debates were held with schools listed in the Sierra League. Oratory occupied a great deal of the Spring, and frequently "that highest and most eloquent form of speech" issued forth from the buildings in preparation for coming contests.

The students of the two advanced public speaking classes formed a club to be known as the Public Speaking Club. The purpose of this organization is to carry on the school activities relating to the various speech contests, and parliamentary law is practised during the meetings of this club. As its initial performance, a banquet for eighty guests was given on Washington's Birthday.

In the recent elections Albert Peters became president of the organization; Ernest Schultz, Vice-President; Essie Ruth Mayfield, Secretary-Treasurer; and Dorothea Peake, Social Chairman.

On April 16, the student body heard five excellently prepared orations presented by members of the advanced Public Speaking Classes. The participants were required to write their orations upon original material; each speaker was limited to six minutes. Those entering were Dorothea Peake, Ernest Siemens, Lois Van Gorkom, Henry Janzen, and Albert Peters. Dorothea Peake, speaking upon "The Inconsistencies of 1935," and Ernest Siemens, orating upon "Cradle Menace," were selected to represent Shafter in the Valley Championships held at Taft.

THE CARDINAL

"The Cardinal," formerly a bi-monthly paper, has become a bi-semester event. Although there has been a great deal of news to write upon and much ability exhibited by the students, the lack of a journalism class has made it necessary to confine the interests and energies to a smaller program. The students who have worked upon the various Cardinal editions this year have felt that a place should be made for news writing, as it reflects the ideas of the student body and circulates opinions. It would be seen that this form of student activity is a natural outlet for energies, and one that would serve as a medium for increasing pride and satisfaction. Those students who have shown promise in this field are: Clarence Neuman, Marjorie Magness, Anna Myers, Elizabeth Epp, Durward Annis, Ralph Lachenmaier, Ernest Siemens, Everett Devine, and Patricia Towery. Miss Littlefield acted in the capacity of adviser for the various papers.

AMERICAN LEGION-FIDAC CONTEST

Through the Junior-Senior English classes, a number of students entered into the American Legion-Fidac Essay Contest to forward a world peace movement. The topic for discussion was "How Can American Youth Cooperate with the American Legion and Fidac to Eradicate the Profit Motive from War?"

John Hetz and Grace Weyand were declared the prize winners by the judges, Mr. Gates, Miss Finck, and Mr. White. The papers were sent to the Central Office of the California American Legion for final judging. We wish to congratulate John and Grace, and hope they have the "best of luck" in the final awards of this contest.

MUSIC DEPARTMENT

The Orchestra program has been varied in its musical presentations, and the results have been very satisfying. The orchestra performed at the Musical held at Wasco High School, and at the Tercentinary Celebration of the founding of the Boston Latin School held at Wasco. They have also played at many of the functions around Shafter, namely, the two musicales given by the music department and for the Carnival night celebrations.

The Boys' Glee Club has made many appearances in public this year, and they have met with marked success. It participated in the High School Musicale at the music festival at Wasco. The boys had the honor of representing Shafter High School in a mixed chorus composed of glee clubs from all the high schools of the county. The County Chorus was directed by Mr. John Smallman of the Smallman Choir of Los Angeles. They sang "How Lovely Is Thy Dwelling Place" from the Requiem Mass by Johannes Brahmes, and "Festival Prelude" by the master of polyphonic form, John Sebastian Bach.

The Girls' Glee and the Boys' Glee Clubs have done excellent work. Their activities started with a program given at the first meeting of the Parent-Teachers' Association. Throughout the year, they gave selections at the County Musical Festival, the Wednesday Afternoon Club, and at the Graduation exercises.

Allan Bartel, trumpet maestro, was awarded the musical honor for his progress and ability in the field of music in 1935 by the Musical Club (pictured below).

HOME ECONOMICS

Fashion shows, exhibits, candy sales, and faculty teas and luncheons have given the girls a great deal of project work. The addition of the Art Needlecraft course has contributed greatly to the interest and stimuli shown in the department this year. Miss Habicht has endeavored to give the girls actual training in the types of Clothing and Foods that they may carry on to put into practice in later life; we say the idea has been most successful.

COMMERCIAL CLUB

The Commercial Club has been newly organized this year under the direction of Mr. P. L. Arnold. The object of this club is strictly for study, advancement of business education, and the promotion of the best interests of the commercial students. The club is non-social, non-taxing, and with a limited membership. It is solely independent of any other organization, is for students of the Shafter High School only, and restricted to those students who are registered in the Commercial Department. Only such students of the three upper classes who are on the honor roll or have the approval of the department head are eligible for membership.

The officers for the club are: Essie Ruth Mayfield, Chairman; Annabel Wedge, Vice-Chairman; and Marjorie Magness, Secretary-Treasurer.

The charter members are: Essie Ruth Mayfield, Annabel Wedge, Marjorie Magness, Audie Mouser, Normal Lee Cloud, Irene Wilson, Grace Weyand, Lillie Grose, Willie Steele, Lewis Edwards, Tommy Dorris, Venona Stone, Ruth Kirschenmann, Gladys Fast, Gideon Mettler, Dorothea Peake, Geneva Payne, Aldeen Boese, Edna Boese, and Elizabeth Gaertzen.

SPANISH CLUB

The Spanish Club has been very active in social affairs; it sponsored a carnival concession and later in the year presented a humorous and scintillating comedy to the assembly. Officers of the club are: Bob Davidson, President; Annabel Wedge, Vice-President; Patricia Towery, Secretary-Treasurer; and Miss Sullivan, Adviser.

DIE DEUTCHE VEREIN

Die Deutsche Verein is just another symbol for weiners and sauerkraut! A dinner was given for the faculty members during the Autumn; an assembly program was given to raise funds, and a booth at the Carnival taken over. Officers for 1934-35 included: Paul Enns, President; Elizabeth Epp, Vice-President; Rosie Unruh, Secretary; Miss Finck, Adviser.

VENONA STONE SUSIE PENNER PATRICIA TOWERY MISS FINCK

GIRLS' LEAGUE

The Girls' League under the leadership of Venona Stone and Miss Finck has contributed greatly to the social enjoyment of the school year. A Christmas Party was given at which gifts, entertainment, and refreshments aided in giving a gay party. A lawn party at the high school completed the year's activities.

HICK'S DAY

Hick's Day, contrary to custom, was sponsored by "The Laurion" staff; it became more than just the traditional "dressing up" party and included a gay carnival held at night. Hick's Day became more than a student affair; townspeople, parents, and visitors were welcomed to this gala event to see the students at "play." Concessions promoted by the classes and various clubs, a musical program, a play, a grand costume march, and prizes made the evening an enjoyable as well as a financial success. The faculty cooperated and contributed greatly to the color of the occasion by its unique and humorous costume creations. The guiding geniuses of Hick's Day were Miss Littlefield, Clarence Neuman, and Allen Bartel. May we have many and better such occasions!

STUDENT BODY

Presents

"HOT COPY"

M. V. Littlefield

Dramatic ability was concentrated upon the student body production this year. "Hot Copy" by Clark Willard was presented on May 24 to a large and enthusiastic audience. The plot concerned the corrupt practices of small town politicians, and the struggle of a small group to overcome the red tape and sinister influence of the professional politician. The scene was set in a typical newspaper office, but the usual hum-drum monotony of the office gave way in the third act to a broadcasting scene.

The cast was selected after considerable hesitation; the characters selected were particularly suited for their respective parts, and there were many opportunities to exhibit their talents. Members of the cast were:

1. Jane Corwin ..... Dorothea Peake
2. Kenneth Wade ..... Durward Annis
3. Mrs. Devine ..... Barbara Caldwell
4. Bud Rice ..... Mike Jansen
5. Sylvia Dale ..... Grace Weyand
6. Randolph ..... Clarence Neuman
7. Peggy ..... Rubena Peters
8. Bill Gregory ..... Waldo Unruh
9. Hazel Winston ..... Patricia Towery
10. Dudley Kay ..... Ray Kay

Particular attention and thanks should be paid to the technical staff consisting of Mr. White, Coach; Miss Littlefield, Scenic Designer; and Albert Peters, General Manager. Mr. White, through his knowledge of newspaper life and radio activity, was able to create scenes, real and dramatic. "Hot Copy" was selected to bring to the school—life as it exists today and not just a romantic interlude to amuse the few.

The "set," constructed with the aid of the Shop Class and under the supervision of Miss Littlefield, brought light, color, and gayety into the production. The scene was authentically carried out even to the office railing and the spitoon.

The student body play is just another example of the splendid cooperation existing between the vocational and academic departments. The technical staff wishes to extend its gratitude to Mr. Latta and "his boys" for their willingness and help.

F. F. Latta

SHOP CLUB

By a curious stroke of fate, the Farm Mechanics Department had two complete and separate organizations in its midst. Some of the Freshman students, being of rather radical tendencies, feared that their representation in the main Shop Club was inadequate. Thus, was created the unique and very exclusive "Pit Club," of which Victor Voth at the present time seems to be the only qualifying member. Imagine being a club and all the officers, oneself!

The main Shop Club officers are Herbert Neuman, representing the Freshmen; Bob Tatum, the Sophomores; Everett Wiedman, the Juniors; Everett Devine, the Seniors; and Mr. Latta, adviser. These boys took over a booth at the Carnival, and put the club on a more secure financial basis. Among the events of the Spring, the club planned an excursion to the mountains to relax from the "tedious grind of the daily work."

Many projects pertaining to school improvements have been taken over by the Shop. Book cases, cupboards, track hurdles, and scenic construction for the student body play has made the year a very busy and varied one.

F. F. A.

G. O. Nay

Members of the Future Farmers of America proclaimed this organization as "about right." The writer has a sneaking conviction that it represents a purely "bachelor" group minus the usual frills and possibly so-called thrills. To fortify themselves in this resolve, a radio was purchased ostensibly to hear the agricultural reports of the government. It's difficult to understand what the "Lullaby of Broadway" and "Blue Moon" have to do with agronomy and dairy farming. Of course, we just aren't up on our "ag work"!

The activities of the F.F.A. have been numerous and prosperous this year. In the Los Angeles County and State Fairs, the Dairy Products Team won second place. The Dairy Cattle Team was a contestant at the Bakersfield Field Day, and won first honors!

Both teams during Easter Week traveled to Davis for judging purposes. The members of the Dairy Products Team were John Schultz, Wilmer Enns, and Bill Schultz. Walker Fry, Tommy Dorris, and John Spitzer comprised the Dairy Cattle Team. Both teams will enter into the State Finals at San Luis Obispo before the end of the school year. Under the "inspired" leadership of Gregory Malofy and Ernest Schultz and sponsored by the F.F.A., the Carnival queen concession was very successful from entertainment and financial standpoints.

The school is rightfully proud of its "ag" department, and extends its congratulations and best wishes to its director and members.

Officers of the F.F.A. are: Albert Peters, President; Raymond Mettler, Vice-President; John Schultz, Secretary-Treasurer; Ralph Peters, Reporter; Gideon Mettler and George Thomas, Bouncers; and G. O. Nay, Adviser.

SENIOR HI-Y

Real activity for the Senior Hi-Y began in January with the Induction Ceremonies held for the new members. Leonard Dalquist from Bakersfield came out for the ceremony and banquet. Some of the members of the Senior Hi-Y joined with the Sequoia's basketball team to participate in the Hi-Y County Tournament at Wasco and emerged with second place.

A number of the members journeyed in March to Selma to an Older Boys' Conference, where basketball and other games were participated in by the visitors.

A boy and girl social or wienie bake was held at the Kern County Park in April. It has been difficult to determine who enjoyed the party most, the boys or the girls.

The year ended with the boys of both organizations journeying to the Hi-Y Camp situated at Portuguese Meadows near Green Mountain.

SEQUOIA HI-Y

The Sequoia Hi-Y has developed from an infant organization into one of the most important and active in the school. A "wiener" roast at Kern River Park started the boys "high and handsome." Perhaps one of the greatest surprises of the year was the journeying of the boys over to McFarland to win from the latter's A Basketball team. A number of the members went to the Older Boys' Conference at Selma accompanied by Mr. Wilson, Mr. White, and Mr. Peery. All proclaimed that a wonderful time and entertainment was given them. Shortly after, at a Hi-Y Sport Conclave held at Wasco, Shafter won second place in the county for basketball, being defeated by the Methodist Team of Bakersfield. Fame for Sequoia Hi-Y was forever "blazoned across the sky" with the presentation of "Professor Dummelhead's Class," Carnival night. Amazement and joy were written over the faces of the audience at the genius portrayed!

The officers of the club of the past year are: Myron Janzen, President; Everett Wiedman, Vice-President; Tommy Dorris, Secretary; Ernest Hofman, Treasurer; Mr. White, Adviser.

COACHING STAFF

The coaching staff for athletics was increased, and the sports program greatly extended during the past year. A definite movement was organized to create a physical education department with certain rules of procedure. With this idea in mind, more "gym" periods were placed upon the schedule, and Mr. White assumed guardianship over the new department. Mr. Wilson's energies were confined primarily to football as head coach of the grid sport. Mr. Wilson, Mr. White, and Mr. Gates acted as coaches for the A, B, and C Basketball groups. Mr. Gates, as usual, had the direction of Tennis, while Mr. White took over the Field and Track Events. Baseball completed the program for the athletic year with a number of games scheduled by Mr. Wilson.

The three coaches have been able to stimulate the lads to considerable activity. There has been a growing athletic consciousness throughout the student body; an emphasis placed upon clean sportsmanship and patience has done much to develop the squads towards a higher degree of perfection. The results of this year should indicate that a new era of sports has been ushered into being—and with success.

BLOCK "S" CLUB

The Block "S" Club of Shafter High School has been dormant during the past year. Although after the football season some new members were elected, there has been little activity. Officers were not elected for the past year of 1934-35. Present members of the "S" Club are: Albert Peters, Allen Bartel, Rafe Martin, Durward Annis, Ernest Schultz, John Schultz, George Thomas, Waldo Unruh, Marvin Voth, Everett Wiedman, Robert Carter, and Clarence Neuman.

FOOTBALL

Football season opened with great speculation as to "Who was playing what." The graduation of so many varsity men from the line-up made the team selection seem doubly difficult. However, Coach Wilson seemed to have few doubts as to the starting line-up, which included the following men:

Left End	Ralph Smith
Left Tackle	Clarence Neuman
Left Guard	Milton Koop
Center	Verlen Hughes
Right Guard	Gregory Malofy
Right Tackle	George Thomas
Right End	Everett Wiedman
Fullback	Albert Peters
Quarterback	Allen Bartel
Right Halfback	Durward Annis
Left Halfback	Elmer Lachenmaier

The games consisted of two each with McFarland, Maricopa, and Wasco. In the various games, many moments of excitement were furnished by the spectacular playing of the backfield and the immovable line. Perhaps one of the most confusing plays to Shafter's opponents was the use of "Moose" Peters in the line on defensive and shifting of his position to the backfield on offensive plays. The excellent and hard playing of the linesmen cannot be minimized—"the boys went to town and came back"—with plenty of punch shown by George Thomas, "Moose" Peters, Gregory Malofy, Clarence Neuman, and Milton Koop. Durward Annis, although injured several times, proved a galloping ghost to his opponents. Give the boy the ball and a "break," and the yards are made! When a line was particularly "tough" and no hole presented itself, "Moose" usually carried the ball and supplied his own "means" of progress. Particular mention should be made of Allen Bartel, whose plucky runs and calling of signals, made it possible for more gains. "Locky" Lachenmaier is to be regarded as a real threat to opponents next year if his ball carrying abilities and "bull-dog" determination are any indications.

Although Shafter lost the Sierra League Cup to Wasco this year, most of the boys feel as though "the latter needed a little encouragement." Preponderant weight, a slippery field, and an injury to Annis made Shafter's fight futile. However, in the last few minutes of play the boys got under way and started a drive from the thirty-yard line to make a touchdown. With the exception of Annis, Bartel, and Peters, the members on the squad will be about the same. However, new material is going to make the boys look to their "laurels."

GAME SCHEDULE

Maricopa	7— 7
Maricopa	33—13
McFarland	27— 6
McFarland	31—12
Wasco	7—18

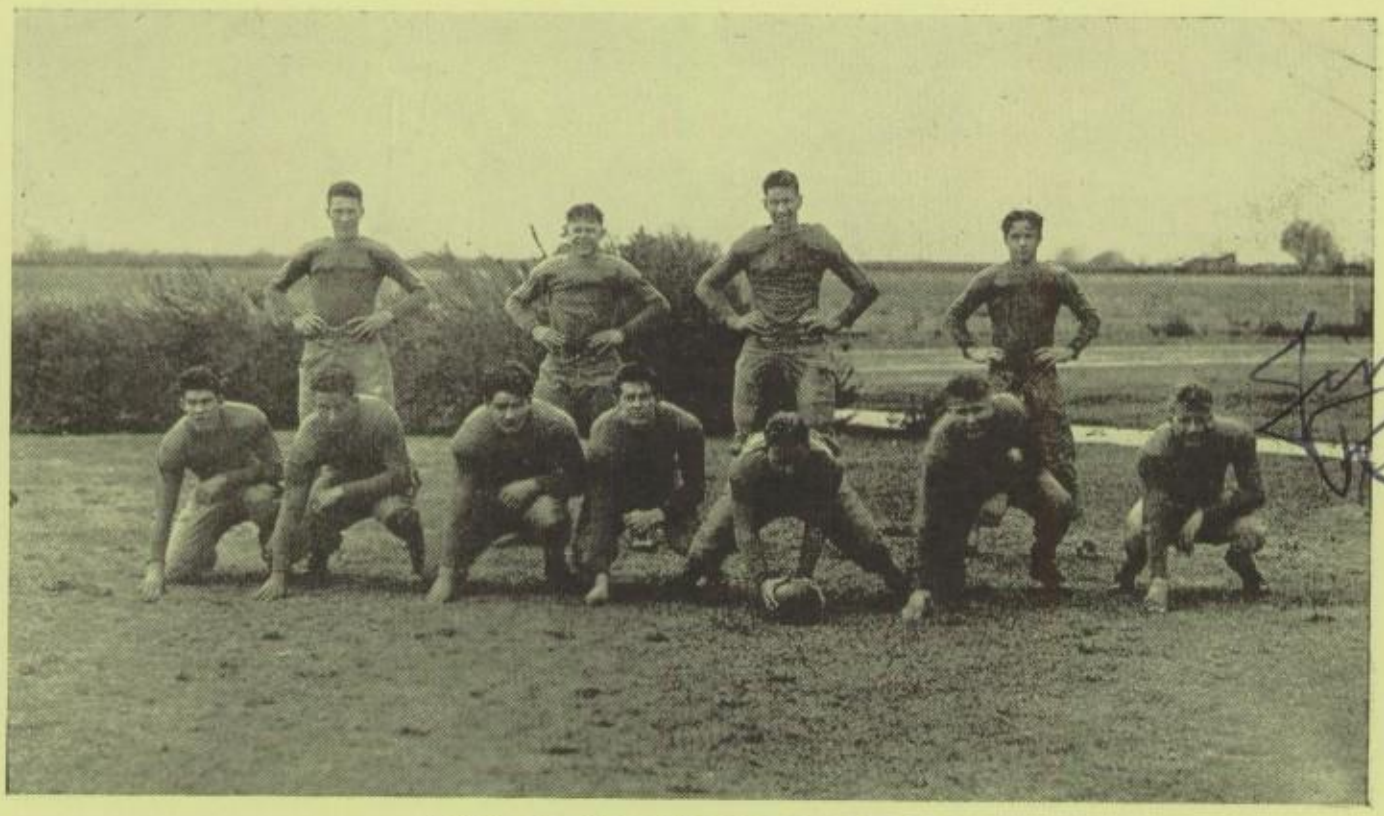
Taft (B Team)	0— 7

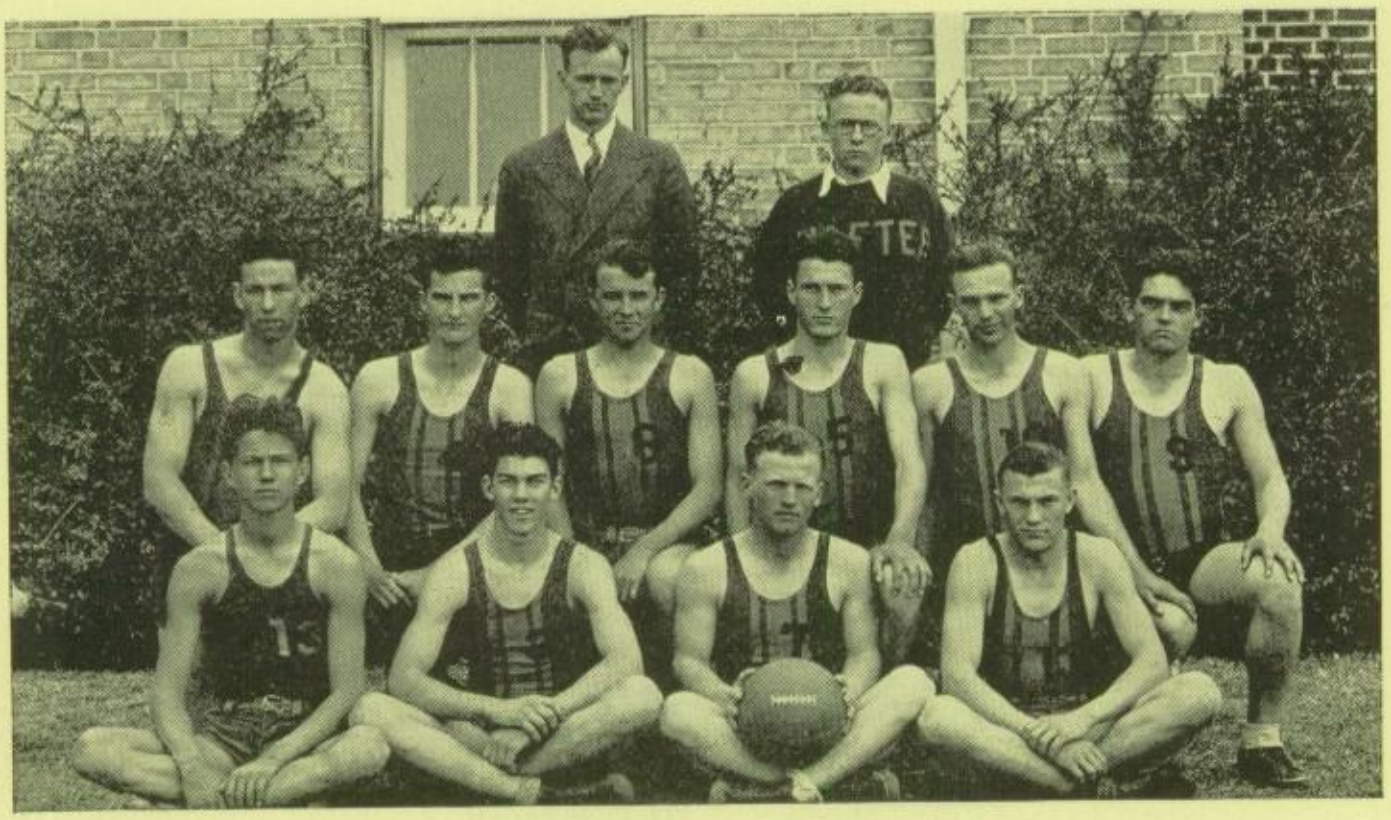


1934-35 FOOTBALL TEAM

A "Senior Backfield" composed of "Moose" Peters, fullback, "Flash" Bartel, quarterback, "Skip" Martin, and "Plunger" Annis made plenty of yardage against opposition this past season. Annis was outstanding in offensive and defensive play. In the first Wasco game he consistently outgained all of the Wasco backs. Martin and Bartel proved their ability as signal callers and should "go places" on some college frosh team next year. "Moose" Peters was easily the outstanding fullback in the league. Next year's Cardinal line will miss "Tiger" Thomas at tackle; he has been an all-conference man for two seasons.

1935-36 FOOTBALL TEAM

35



"A" BASKETBALL

Although defeated by Wasco and Maricopa, the Cardinals under the watchful eye of Coach "Bob" Gates displayed plenty of class in league competition. "Rubber Legs" Voth in the pivot position proved a dangerous threat under the basket, while "Dead-eye" Schultz kept the opposition on the run. Durward Annis joined the squad in mid season, and with his one-hand shots made himself a scoring threat at all times. Members of the team were: Ernest Schultz, Ernest Neufled, Everett Wiedman, Marvin Voth, Albert Peters, Tommy Dorris, Durward Annis, Johnny Schultz, and Ralph Smith.

"B" BASKETBALL

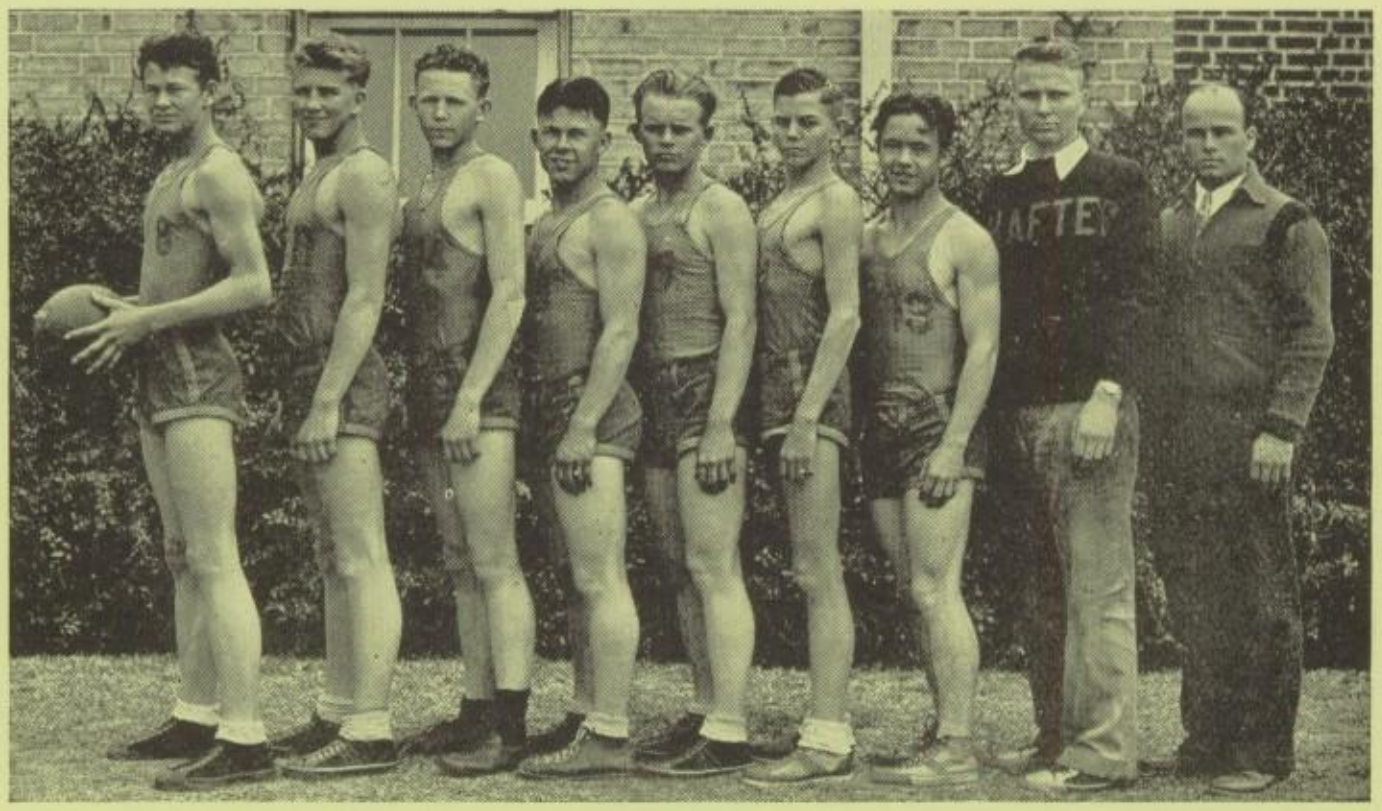
The lightweight team opened the season by taking the Bakersfield Championship Hi-Y team "into camp." With but one substitute the B's made the opposition "open up" in all league games. In the last game, the McFarland lightweights were smothered under a barrage of short passes and shots. In a hectic last quarter, Taft nosed out our fast-coming quintet. Bartel and Martin were classed as the fastest forwards in the conference.

No little credit was due to the excellent coaching of Coach "Bill" White, and his ability to shift members of his team to various positions.

Members of the team were: Allen Bartel, Rafe Martin, Mike Janzeh, Willie Schultz, James Blevins, and Everett Devine.

"C" BASKETBALL

The Cardinal "babies" stamped themselves as the team to beat under the expert guidance of Coach "Jim" Wilson. With the sharp-shooting and accurate passing of Willie Evseff, the C's finished the season with top scores. Willie Evseff, Ernest Hoffman, Victor Voth, John Spitzer, Rubin Schmidt, Walker Fry, Lewis Edwards, George Langston, Everett Thomas, and Garnet Reily were members of the squad.

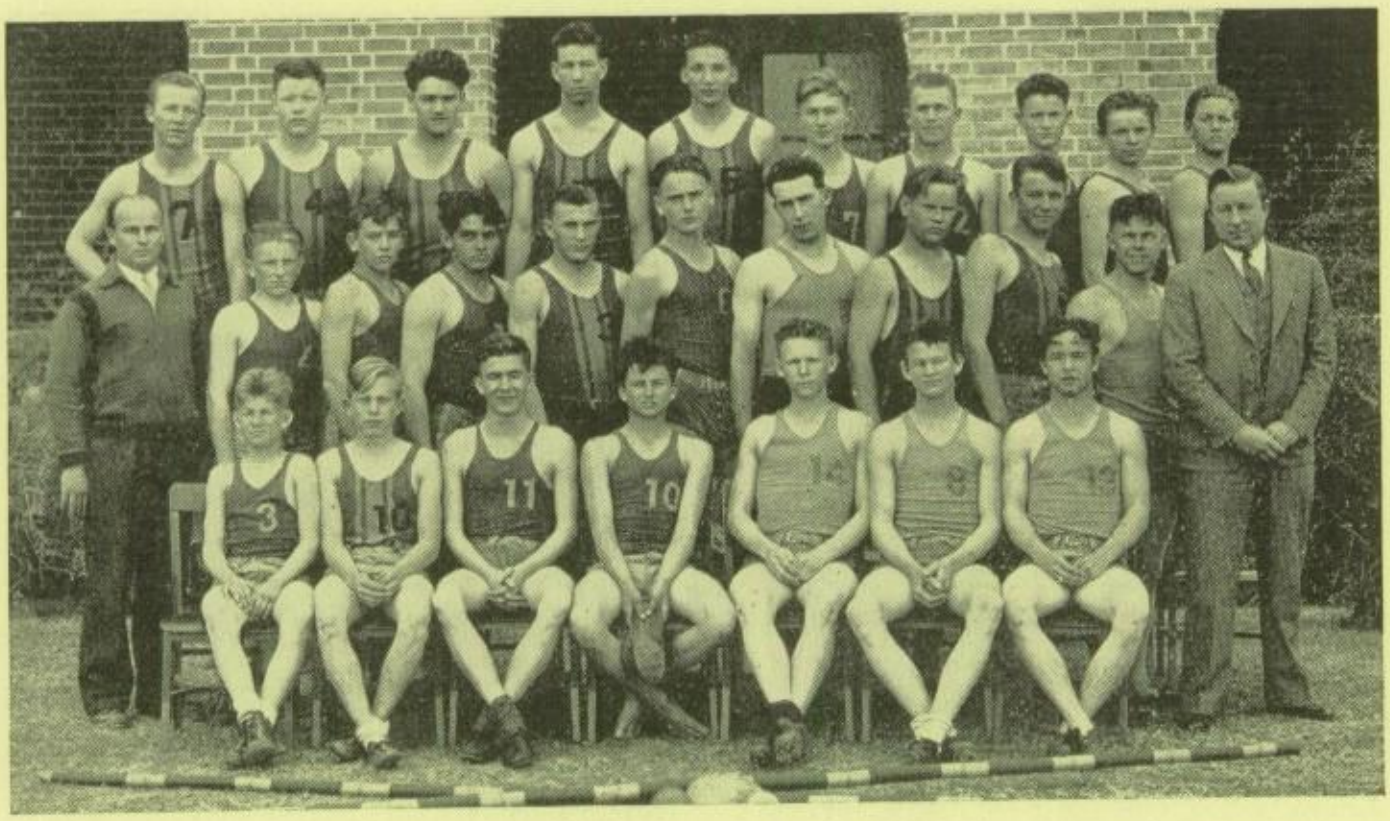


B BASKETBALL

The smallest "B" team in the League scored the biggest upsets of the season by downing the opposition when the odds were against them.

The Cardinal "Mosquito" outfit indicated the potential strength of the future quintets.

C BASKETBALL



TRACK

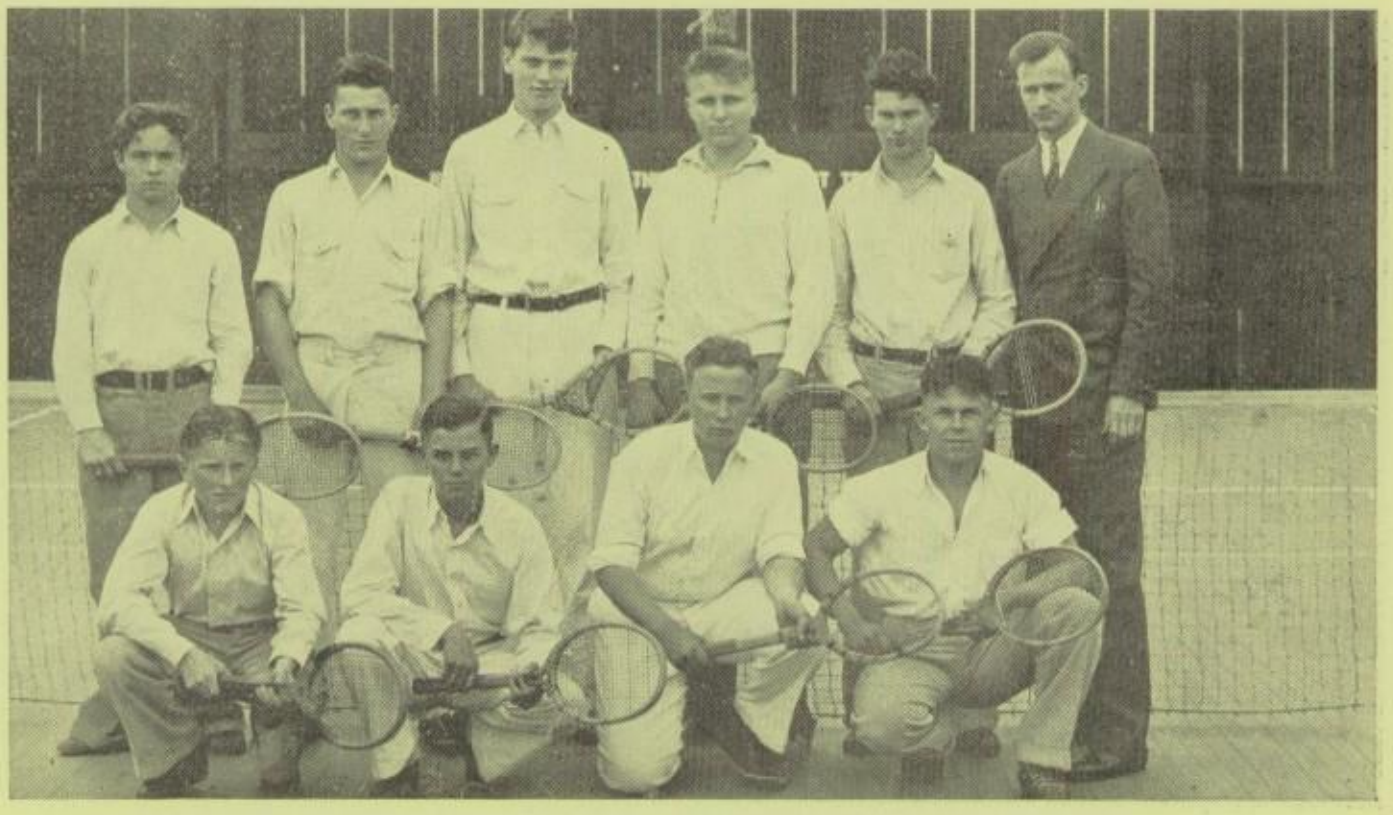
Coaches—W. B. White, J. V. Wilson.
Captains—A Team, Albert Peters; B Team, Allan Bartel; C Team, Paul VanGorkom.

A new era of track and field events was ushered in at Shafter High. With an impetus that gained steadily, the track squad defeated its rival, McFarland, in a dual meet—184-86. On April 17, Shafter conquered the highly "touted" Tehachapi speedsters—152-105. This meet provided the fans with two new meet records.

Shafter played host to the Sierra League schools on April 27 in presenting the Annual Conference Track Meet. The track is considered very fast, and afforded "good times" to the contestants in the track events.

Marvin Voth, the Cardinal vaulter, proved his ability by placing fourth in the Bakersfield Relays in which the best athletes in the valley competed. Willie Evseff, Paul Van Gorkom, and Donald Suydam were outstanding among the light-weights. In fact in the broad jump, Donald Suydam looks like a coming athlete.

The success in track this year has revolved about two faculty members, Mr. White and Mr. Latta. Mr. White's enthusiasm and coaching ability supplied the drive necessary to achieve victories. The boys reacted to their coach's interest, and produced plenty of speed, height, and distance. Mr. Latta and the shop boys aided the track season by their splendid cooperation in constructing hurdles, marking off the track, and in acting in the capacity of general "roust-abouts."



TENNIS

Under the aspiring tutelage of All-American "Bob" Gates, the tennis team put Shafter on the map by displaying real form. Durward Annis played number one position and Richard Gribble second singles. Shafter is gradually taking its place in the tennis world.

BASEBALL

The baseball season was ushered in by a fast game with the Bakersfield Hi-Y; the latter won by a score of 7—4. Games have been scheduled with Taft, Maricopa, Wasco, and McFarland. The interclass tournament provided much toward uncovering good diamond material.

GIRLS' LETTER CLUB

The Girls' Letter Club met early this term to elect the new officers. At the beginning of the second semester, there were twenty eligible for admission to the club. The girls enjoyed a bicycling excursion combined with a wiener roast as a part of the initiation of the new members. They also presented a play "Suppressed Desires" before the student body. The officers of the club are: Elizabeth Epp, President; Venona Stone, Vice President; and Lenora Kirschenmann, Secretary-Treasurer.

GIRLS' SPORTS

Girls' Sports received an impetus this year due to the challenging nature of the Freshman Class. Basketball and Volley-Ball seemed to be the favored sports; competition between the classes was quite marked. This year, tennis received more than average attention from the "weaker sex," and Miss Sullivan maintains "they are champions in the making." Plans are being made for the more active participation of the girls in this sport between classes and between individuals.

GIRLS' BASKETBALL TEAM

After a very exciting and prolonged basketball session, the team (pictured above) emerged victorious.

A great deal of interest was evinced in baseball this year, and interclass games were played.

A MILE WITH ME

O who will walk a mile with me
Along life's merry way?
A comrade blithe and full of glee,
Who dares to laugh out loud and free,
And let his frolic fancy play,
Like a happy child, through the flowers gay
That fill the field and fringe the way
When he walks a mile with me.

And who will walk a mile with me
Along life's weary way?
A friend whose heart has eyes to see
The stars shine out o'er the darkening lea,
And the quiet rest at the end o' the day,
A friend who knows, and dares to say,
The brave, sweet words that cheer the way
Where he walks a mile with me.

With such a comrade, such a friend,
I fain would walk till journeys end,
Through summer sunshine, winter rain,
And then?—
Farewell, we shall meet again.

Violet: "So you believe in hereafter?"

Clarence: "Sure, I do."

Violet: "Well then, hereafter, please don't bother me!"

Rosella H.: "It must have taken a lot of courage to rescue me as you did."

Ernest S.: "Yeh. I had to knock down three other guys who wanted to do it."

Georgia Lee (to her new beau): "Mother wanted to know what position you hold at the bank."

He: "Teller."

Georgia Lee: "Why, no. I don't really know myself.

* * *

Everett W.: "You'll soon forget her and be happy again."

Waldo U., the jilted suitor: "Oh, no, I won't. I've bought too much for her on the installment plan."

* * *

Gladys U.: "And they say he is a fellow who makes violent love to a girl."

Dorothea P.: "I'll say he does! Why last evening he kissed me four times right on the bridge."

Gladys: "Goodness, Gracious! And now you'll have to go to the dentist to have the bridge repaired, of course."

* * *

"Toothbrush, Sir?"

"Yes, de biggest, and de bestest, there's foahteen in ma family!"

Miss L.: "Parse the sentence: 'Tom married Jane'."

Willie E.: "Tom's a noun because he's the name of something. Married's a conjunction because it joins Tom and Jane. Jane's a verb because she governs the noun."

"Ah, Rafe," commented Allan, "I see you've changed your underwear."

"Yes, how did you know?" asked Rafe.

"Well, you've forgotten to put your trousers on."

A doctor was attending an old lady who had a severe cold. "Did your teeth chatter when you felt the chill coming over you?" asked Doc.

"I don't know—they were lying on the table," was the pleasant reply.

* * *

"Got a sweetheart yet?"

"Yes, and he's a regular gentleman."

"You don't say!"

"Yes, he took me to a restaurant last night and poured tea into a saucer to cool it; but he didn't blow it like common people—he fanned it with his hat!"

Mr. A.: "Tommy, what's etiquette?"

Tommy D.: "That's saying 'no, thank you' when you want to holler 'gimme'."
